Habitat for
Humanity.....*Building Houses in partnership with God's people in need*

February 6, 2001

Mr. Randy Brumley
College Station Community Development
P.O. Box 9960
College Station, Texas 77842

Dear Randy:

I write on behalf of Habitat for Humanity to request the donation of the single-family property on the South corner of Preston and Churchill Streets in College Station.

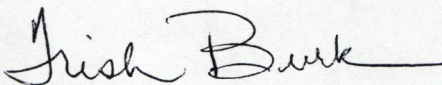

If our request is approved, we will immediately begin construction of an affordable, three bedroom single family dwelling for a low-income, divorced mother of three boys, who works at the College Hills Elementary School, and currently lives in substandard housing. This family was selected as prospective homeowners last year, have worked tirelessly to accumulate their 400 hours of sweat equity and attended required workshops on Budgeting and Finance, Home Maintenance and Repair, The Legal Responsibilities of Home Ownership, The Importance of Wills, Property Taxes, and Insurance, and How to Be a Good Neighbor.

Not only does Habitat have a family that is both needy and well prepared for homeownership, but we also have house sponsors who are ready and willing to begin construction as soon as an appropriate lot is acquired...the students, faculty and staff of the College Station Independent School District.

Fund raising for this project has been going on at each of the schools since last September and volunteers are ready to "man" and feed the construction crews, in the hope that construction can be completed by the last weekend of May, before exams and the end of the school year.

Thanks for considering our request. We appreciate all that you do for the community's low-income families in need, and look forward to working together to provide another simple, decent home for a local family in need.

Sincerely,

Patricia G. Burk
Executive Director
